NOTICE OF RELATED CASE

PLEASE TAKE NOTICE that this case, <u>Jones v. Obama</u> CV 10-1075 GAF(PJWx), is a related case to the previously filed case of <u>Barnett v. Obama</u> SACV 09-0082 DOC(ANx).

Each of the above entitled cases arise from the same or closely related transactions, happenings or events; further, the latterly filed case calls for a determination of the same or substantially related or similar questions of law and fact; and further, the latterly filed case would entail substantial duplication of labor if heard by a different judge. See Local Rule 83-1.3(a),(b) and (c). In particular, each case arises from Barack Obama's election to the Presidency of the United States of America; further, each seeks to have the Court adjudicate, inter alia, whether he is constitutionally eligible to hold that office for reasons based on his citizenship; and further, the latterly filed case would entail substantial duplication of labor already performed by United States District Judge David O. Carter.

Respectfully submitted,

DATED: May 4, 2010
