Dear Mr. Davidson:

The following is in response to your Appeal to the Department of State Appeals Review Panel, requesting the release of records of passports issued in the name of Stanley Ann Dunham and Soetoro under the provisions of the Freedom of Information Act (5 U.S.C. § 552).

We have completed an exhaustive search for passport card records responsive to your request. The search resulted in the retrieval of this additional record, an index card for the 1967 passport amendment that is responsive to your request. This is the only card found for any of the Dunham and Soetoro passport records released to you. The six passport applications released to you are the official records of passports issued and have the passport number in the upper right corner. The passports expired years ago. After careful review of this document, we have determined that the index card may be released in full.

The release of the enclosed index card record completes the processing of your Appeal.

Sincerely,

A handwritten signature in black ink, appearing to be 'Jonathan M. Rolbin', written over the printed name.
