[The Awakening Tomorrow Night...](#)

10/18/2009

WALTER HUDSON is the blogger who witnessed, recorded, and broke the news of LORD MONCKTON's siren call for our paramount American Sovereignties, under attack by the "Climate Change Treaty." We will listen to Mr. Hudson and to Lord Monckton's brief presentation, hour-1.

Then, MissTICKLY may have found evidence tending to indicate that (please take a deep breath) Barack Obama is the son of cousins, Stanley Ann Dunham and Frank Marshall Davis — and Hawaiian royalty — perhaps heir to the Hawaiian throne. If true, this would imply criminal fraud by Obama.

Don't miss these two hours. You may wish to prepare first, by reading Hudson's posting in Sentinel Radio Blog and Mr. Hudson's own Fightin' Words. The video of Monckton's messege is at these sites, too.

MissTickly, a.k.a. TerriK continues to break the news of her Hawaiian documents investigation in her blog as she did in last week's "Awakening" broadcast. The prior week, Leo Donofrio told us about his own, related, Hawaiian investigation.

re Newspaper Birth Announcements

Here is one of jbjd's articles, there may be more.

<http://jbjd.wordpress.com/2009/08/09/rumors-lies-and-unsubstantiated-facts/>

Regardless if you subscribe to her logic or not, I still think it is absolutely critical to the arguments that you are developing here to know what is really in the newspapers for that day.

“Also, I hope you saw my message about Juls on the other thread”

Yeah, I saw it!

I thought it would be good to have an insider here, of course they are on a different page.
But they are definitely on kool Aid over there.

In a way this “fake state” thing reminds me so of the NBC issue.

If You are not involved and informed You have no idea.

Media blackout.

I had no idea about Hawaii being stolen territory and I thought they are all in bed with Obama. Nope.
Hihi!

TerriK,

I haven't seen the videos yet, but I was aware, years ago, that The USA probably stole Hawai'i. You can bet your home that Russia and China are fuelling the Hawai'ian sovereignty movement. They BOTH would LOVE to take over the naval facilities at Pearl Harbour and push The US Navy back to California.

There are powerful and ruthless forces in play here. Geo-politics on a massive scale – and guess what – the man in The White House, making the decisions, is probably a communist sympathiser. What do you think Obama and Medvedev have been talking about in their PRIVATE meetings? UNBELIEVABLE. One thing is certain. This is not a rehearsal, this is not a drill. The USA is being taken apart in front of our very eyes, but slowly, the sleeping giant IS waking up.

[Yes, now what do we do about it. I don't like it...

It doesn't take a mental giant to know the consequences of colonialism...but now what?]

Dr. David Keanu Sai(speaker in Juls video)is a convicted felon.

http://en.wikipedia.org/wiki/Hawaiian_sovereignty_movement

Hawaiian Kingdom: David Keanu Sai

Another leader who seeks to expose what is seen as the prolonged occupation of Hawaii by the United States is David Keanu Sai. Trained as a U.S. military officer, Sai uses the title of Chairman of the Acting Council of Regency of the Hawaiian Kingdom. Sai has done extensive historical research, especially on the treaties between Hawai'i and other nations, and military occupation and the laws of war. Sai recently finished his doctoral program in political science at the University of Hawai'i, where he founded the Hawaiian Society of Law and Politics, which publishes the Hawaiian Journal of Law and Politics.

Sai co-founded a Hawaiian title company, Perfect Title, which stated that all land transactions since the overthrow of the monarchy were invalid if superseded by legitimate pre-existing claims; some clients refused to make mortgage payments and lost their property. In 1997, the offices of Perfect Title were raided, and the company was barred from filing any documents with the state Bureau of Conveyances for 5 years, effectively shutting the company down. A jury on December 1, 1999, unanimously found Mr. Sai guilty of attempted theft of title to a house (value approximately \$300,000) for his role as an accessory to a man and woman who used his Perfect Title services to attempt to invalidate a foreclosure on their house. For his felony conviction, David Keanu Sai was sentenced to 5 years probation and a \$200 fine on March 7, 2000. His appeal was denied by the Hawaii Supreme Court on July 20, 2004.

Sai claimed to represent the Hawaiian Kingdom in a case brought before the World Court's Permanent Court of Arbitration at the Hague, in the Netherlands (Larsen v. Hawaiian Kingdom; Honolulu Weekly item) in December 2000. Although the arbitration was agreed to by Lance Paul Larsen and David Keanu Sai, with Larsen suing Sai for not protecting his rights as a Hawaiian Kingdom subject, his actual goal was to have U.S. rule in Hawaii declared in breach of mutual treaty obligations and international law. The arbiters of the case affirmed that there was no dispute they could decide upon, because the United States was not a party to the arbitration. As stated in the award from the arbitration panel, in the absence of the United States of America, the Tribunal can neither decide that Hawaii is not part of the USA, nor proceed on the assumption that it is not. To take either course would be to disregard a principle which goes to heart of the arbitral function in international law. [7]

TerriK,

We must re-double our efforts to get the proof that Obama is a fraud and a Usurper. The American silent majority will eventually wake up, and when stirred into action, The USA will be an awesome giant again.

As far as Pearl Harbour is concerned, this is vitally important, strategically, so we must make the indigenous Hawai'ian's an offer, for a permanent arrangement, over Pearl Harbour, that they will not want to refuse. We can also appeal to them to seriously consider their own enlightened self-interest. The USA behaved very badly towards Hawai'i a century ago, but does that mean that the indigenous Hawai'ians would really want to throw in their lot with Russia or China? I don't think so, but there are probably schemers out there working feverishly to deceive the Hawai'ian people, just as Obama and his Oligarchy deceived the American people.

[I really want to watch this video Juls left. I need to hear more from Native Hawaiians. I am not sure what I can say or do to help with the overall cause...]

The revealing part of jbjd's post cited by Carlyle is that Obama's defense team cited Fact Check to verify his birth announcement instead of just providing the COLB to the court. An amateur, self-described fact-checking Web site isn't a proper authority for verifying alleged legal documents. It would be like presenting a Web site to claim counterfeit money is real. Rather than submit the counterfeit object, simply cite an unreliable source that says it looks real. Holy cow. The president of the united states relies on amateurs to verify his birth certificate instead of providing it to real experts ... like the secret service. Go figure.

[Yes, I agree that is very troubling.]

IMO , if your going to do media-blogs etc , you need to simplify your subject and make it easy to understand , when U present your info to a broad audience U have to take into account most peeps your talking to have no idea of the subject you are bringing up

You need a outline of the key points U want to bring out with a style that will grab attn.

The key is to hook your audience & make them want to hear more

Then be ready with details & facts to back up your position

Hope U can follow this it is hard to esplan in a blog post LOLLLLLLLLLL !!!!!!!!!!!!!!!!!!!!!!!!!!!!!

[I'll do well to have phonetic pronunciations of some of these names...And I will try to be 'simple' and clear.]

We have a God who has told us how to overcome. The word of God through Jesus says to love your enemies and do good to them. Pray for our leaders. The president and his administration need repentance and so do we. Forgive and you shall be forgiven.

Revelation 21:7, 8 “He that overcomes shall inherit all things; and I will be his God, and he shall be My son. :8 But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolater, and all liars, shall have their part in the lake which burns with fire and brimstone which is the second death.”

Revelation 12:11 “And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.”

Let these scriptures be our weapons; mail them to President Obama. When we promote guns even for our protection, and talk of weapons to overcome this government, we give them power over us, to call us radical, fanatics, screwballs, possibly violent and dangerous. They will fear us and fight us. “That which you fear shall come upon you.” That is God’s law.

“We fight not against flesh and blood, but wickedness in high places.” We have freedom of speech, ability to comment on news etc. opposing anti-God policies. Use the words “God has a better way or solution.” Kindly show why their system is wrong etc. Stay out of the world system of debt, interest, insurance, seeking riches and honors (colleges), attend church, pay your tithe, help your neighbors, and trust God for your healings, stop running to doctors like they are God. “That which you fear shall come upon you.” You will prove faith and God’s system is better and overcome the oppressive employment lifestyle we have created. Do not be attached to your belongings or even opposing family. We must be willing to leave it all, to die in the wilderness if we must. We have a God who promises to provide all our needs. He proved it for believing children of Israel and He gave destruction to those who rejected

His ways (whoever they were.)

See <http://www.divine-way.com> for dangers to be overcome and how to overcome them.

TerriK,

I downloaded the pdf OK, but the enlargement is unclear. Could you crop the map to include just the Honolulu area and then save it as a tiff image. Is the 'Forest Reserve', above Honolulu, Crown land, Homesteaders land, or just straight-forward nature-reserve?

I am trying to discover if the Queen's Medical Center, the Kapiolani Hospital or the alleged address of Stanley Ann Dunham (Obama?) in the birth announcement of August 13th, 1961, were/are in lands claimed by indigenous Hawai'ians. Also, are there any known clinics, that were operating in 1961, that were used as birthing facilities for indigenous Hawai'ians. If Barry was born at one of these, or at a hospital situated on land claimed as exclusive indigenous Hawai'ian land, then Dr Fukino, would be stuck between a rock and a hard place. She would have to choose between three options -

1. – Admit that the land was part of sovereign USA, in order to help Mr Obama, stay in The White House, by saying he was born on USA soil.
2. – Declare the land as sovereign Hawai'ian land, for the sake of the claims of the indigenous Hawai'ian people.
3. – STONEWALL.

As we know, Dr Fukino has chosen option 3 – for whatever reason!!!!!!

BTW, Roy Bleckert is giving you excellent advice on putting the message across. I'm doin' badly, Roy – neglecting my own personal interests for the sake of this vital cause.

[Yes, I will have to do this in the a.m. I skipped all my real work again today.

I have long suspected that Obama's father was not who Obama has claimed he was. If it is true that Obama is the son of Stanley Ann Dunham and Frank Marshall Davis, then he could very well be a natural born citizen. That is assuming that SAD and FMD were both born in the U.S. or became citizens at one point if they weren't.

Perhaps that is why Dr. Fukino seemed to sure on July 27 that Obama "was born in Hawaii and is a natural born American citizen." I think it's interesting that she added "American," as if there was some doubt of what country she was ascribing to Obama. If the Hawaiian Home Lands is involved, perhaps there were still disputed tribal territories at the time of his birth, especially if he was born in 1957 instead of 1961.

I think we're very close to finding out the truth, which is what we all want. If he is an NBC but with different parents than he has claimed, then he will be exposed as a complete liar and have to resign. If it is proven that he was born outside the country or if both scenarios are true, the same thing will apply. He might be an NBC, but he is a complete fraud anyway.

However, I don't think he is an NBC; otherwise, Nancy Pelosi wouldn't have had to sign two different forms for the DNC. They know he's not and were trying to cover themselves. I don't know how they thought they could get away with this...we aren't going to let that happen.
