9. Perkins Coie was one of the defense firms opposing the undersigned counsel and plaintiffs in this case in *Keyes et al v Bowen et al*, specifically challenging Secretary of state of CA Debra Bowen who did not verify Mr. Obama's eligibility.

In that case Judge Robertson came up with a brilliant legal argument, that there was no need to

see the actual documentary evidence for Mr. Obama because his eligibility was “twittered and massaged on the blogs”.

16.I declare under penalty of perjury that all of the above are true and correct statements. Respectfully submitted
