**Criminal Complaint regarding voter fraud and elections fraud committed by Mr. Damon Dunn, registered voter in Orange County, CA, and a Candidate for the position of the Secretary of State on the ballot for the Republican Primary in Orange County, CA based on CEC §8001 (a)(2), CEC §18203, §18500.**

**Criminal Complaint regarding voter intimidation as well as intimidation of the Candidate on the Ballot Dr. Orly Taitz, ESQ, as well as intimidation and harassment of children of Dr. Taitz in an effort to pressure Dr. Taitz to withdraw her candidacy from the race for the Secretary of State of CA.**

Dear Mr. Kelley,

My name is Dr. Orly Taitz, ESQ. I am a candidate on the ballot for the June, 8, 2010 Republican primary, running for the position of the Secretary of State of CA.

I demand immediate investigation of the following troubling events and suspected criminal activity:

1. In November of 2009 Mr. Damon Dunn has officially declared his candidacy for the position of the Secretary of State of California, and his desire to run as a Republican Candidate in June 8 2010 election. Per §8001(a)(2) he could not be affiliated with any other party for **12 months** prior to his official declaration of candidacy.
2. About 6 months prior to his declaration of candidacy, in March of 2009 Mr. Dunn has registered as a Republican voter in Orange County CA. Question 16 of the voter registration card specifically asks whether the voter was registered before, in which County, which State and which Party affiliation. Mr. Dunn did not put down any information and it appeared as if he was never registered to vote before, that he was never affiliated with any other party, and therefore he is eligible to run as a Republican candidate in the next election. None of this was true.
3. Please, see Exhibit A an excerpt from the *Stanford Scout*, stating that Mr. Dunn was registered to vote before.
4. Please see the following link <http://74.125.155.132/search?q=cache:gQYwJc4qldIJ:blogs.ocweekly.com/navelgazing/the-hilarious-haters/orly-taitzs-claims-about-damon/+ocweekly,+dunn&cd=1&hl=en&ct=clnk&gl=us>

from *OC Weekly* which quotes *Sacramento Bee* as well as Damon Dunn's own spokesperson, Hector Barajas, confirming that Mr. Dunn indeed previously registered to vote in Jacksonville, Duval County, FL, and he registered there as a Democrat. Mr. Barajas has tried to justify Mr. Dunn's behavior by saying that he was snagged by motor-voter registration drive, however such excuse does not exonerate Mr. Dunn's behavior. Mr. Dunn is not a minor child. He is an adult who wants to be the Secretary of State of California, a state with population of over 30 million. He wants to be in charge of the whole voting process of the state. His behavior in intentionally omitting his prior voter registration and registration with the opposing party constitutes fraud of the Republican party voters, registrar of elections and California voters in general. CEC §18203 states "Any person who files or submits for filing a nomination paper or declaration of candidacy knowing that it, or any part of it, has been made falsely is punishable by fine not exceeding one thousand dollars (\$1,000) or by imprisonment in the state prison for 16 months or two

years or three years or both the fine and imprisonment”. Additionally CEC §18500 states “Any person who commits fraud and any person who aids and abets fraud or attempts to aid and abet fraud, in connection with any vote cast, to be cast, or attempting to be cast, is guilty of felony, punishable by imprisonment for 16 months or two years or three years”.

It is imperative for you Mr. Kelley and for the District Attorney of Orange County Mr. Tony Rackauscas , as well as the Secretary of State Ms. Debra Bowen to act in this manner, as inaction will constitute aiding and abetting fraud in election punishable by 18500.

1. Please see Exhibit B, an e-mail response from the Duval County FL registrar of voters, verifying that Mr. Dunn was registered as a Democrat and did not change his party affiliation.
2. Fraud committed was material, as it went to the core of eligibility.
3. I personally have been hit by a barrage of insults and assaults coming from a number of Marxists Left Wing publications such as *Politijab*, *Politico*, *Huffington Post*, *Washington Independent*, *OC Weekly*, *Daily Beast* which only confirms the fact that Mr. Dunn is really a Democrat trying to fraudulently run on a Republican ticket in order to prevent a Bona fide Republican from running against a Democrat Debra Bowen in the General election, as all of these Marxist publications attacked me, while praising Dunn. Mr. Dunn’s quote of considering Barack Obama as one of his heroes seems to support this assertion as well.
4. I receive nearly daily death threats. I preserved a recording of phone message, where I was told “best thing you can do for America, is slid your wrists, you fucking bitch”. I will be willing to submit the recording and my cell phone to the law enforcement for verification. Sometimes threats and lute messages are recorded and I am being called on my cell phone every minute or every two minutes and those messages are played continuously.
5. I received death threats on my web site OrlyTaitzesq.com. One of them stated “I will shoot you myself and burn your body for the whole World to see.” Shortly thereafter there was a warning signal in my car, I took the car to Mission Viejo Motors, where I was shown that someone removed a clasp and disconnected a fumes emissions hose, whereby hot combustible fumes went back to my car, while I was riding with my 3 children.
6. In and around March 10-March 11, right before the registration deadline for the Republican primary, my three children have received horrible, despicable, threatening and vial e-mails, where they were intimidated with the statement like “your mum will be taken to prison or mental institution”. They also received absolutely despicable paintings made by some deranged “artist”. This artist made a whole series of paintings under the title Birther Orly Taitz (referring to my legal actions to uncover original birth records of Barack Obama), where I was painted absolutely nude, with my legs spread, holding a bloody placenta, with blood gushing from it and pouring between my legs. These e-mails were clearly sent with the intent to cause severe emotional distress to my children and to me and with an attempt to harass my whole family, and to intimidate me into dropping out of the race for the Attorney General. While the e-mail was signed as coming from Damon Dunn, I actually don’t believe that Mr. Dunn personally sent these e-mails. I believe these e-mails were sent by his supporters or by supporters of Mr. Obama, as I currently have an active legal action in the Washington DC *Taitz v Obama 10-cv-151-RCV*. In this case I provided information and affidavits from licensed investigators (Exhibits G and F) showing Mr. Obama has used multiple social security numbers belonging to deceased individuals, as well as numbers that were never assigned. As a matter of fact Social security number 042-68-4425 that Mr. Obama is currently using, while residing in the White House, is a number fraudulently obtained, as first three digits of the social security number relates to the state. 042 signify state of CT, Obama never resided there, and it was verified that this number was indeed assigned in Ct to an individual born in 1890. Additionally, Obama refused to unseal his original birth certificate, which is supposed to show the name of the attending physician, name of the US hospital where he claims to be born, as well as signatures of parties witnessing the birth. So far secretary of State Bowen refused to demand any vital records from Obama, and all the legal actions by individual plaintiffs were

not heard on the merits, as the judge claimed that individuals had no standing. If I become Secretary of State, I will demand proper original vital records from Obama. While some of the personal information of my children will be redacted, the body of this criminal complaint will be made public and will be posted on my web site orlytaitzesq.com as well as the site for OrlyTaitzForSecretaryOfState.com .org .us .net on OrlyTaitz4secOfStateCA and it will be sent to some 36,000 media outlets around the world in order to secure transparency of the voting process and accountability of law enforcement. As of late voter fraud and voter intimidation as well as candidate intimidation was investigated and prosecuted only, as it related to minorities and liberal Democrat voters and candidates. I believe it is time to investigate and prosecute horrific voter fraud and intimidation and harassment of Conservative Republican candidates and their families, which is the case at hand.

### Wherefore:

Based on the information provided in the above criminal complaint

1. I demand removing Mr. Dunn from the ballot as ineligible to run in the Republican party primary.
2. I demand criminal investigation of the voter fraud, elections fraud as well as voter intimidation and investigation of the intimidation of the family of the candidate.
3. I demand to forward all of the above information to the District Attorney of Orange County, CA Tony Rackauskas, secretary of State Deborah Bowen, as well as US attorneys for criminal matters for the central District of CA Mr. Brent Sabel and Mr. Ken Julian, who investigated and successfully obtained criminal conviction in previous case of public corruption of a High Rank politician and public official Sheriff of OC Mike Caronna.

Sincerely,

Dr. Orly Taitz, ESQ

Subject: Registration is Public Record

Dear Sir:

May we know the party affiliation of a certain Damon J. Dunn. He was known as a Democrat, but he claimed to have switched to Republican.

Do we have any record that he changed to Republican? If we, when did he do it?

Thanks for any information.

Very truly yours,

It requires further investigation into whether or not Damon Dunn is legally qualified to run for a GOP seat in California this year. He was a registered Democrat up until March last year possibly. State Law states that you cannot belong to another party within a year of running for a seat on another party.

<http://74.125.155.132/search?q=cache:gQYwJc4qldIJ:blogs.ocweekly.com/navelgazing/the-hilarious-haters/orly-taitzs-claims-about-damon/+ocweekly,+dunn&cd=1&hl=en&ct=clnk&gl=us>

Damon Dunn also lied on his Voter Registration form. He did not declare that he was formerly registered to vote in Florida as a Democrat. What kind of example does this set for California's number one Election official? Sounds like Obama Thug politics to me.

A criminal complaint has already been filed with a Southern California DA's office concerning the voter fraud by Dunn.

I am a concerned Registered California Republican. Even if Dunn won the election for SOS he could lose the seat in a legal battle from the Dems and maybe rightfully so.

To avoid embarrassment to the party I strongly encourage you to convince Dunn not to run because of his pending and potential legal problems. Can't we get a conservative attorney well versed in election law to run for SOS instead of a non-attorney football player. It's ridiculous to have a non-voter being the head of voting

– this sounds like a crooked Obama appointment to me.

Sincerely,

Pamela Barnett

So what?”So you admit you didn’t forget about it. You at least remembered it for your January interview. Now are you saying you suddenly remembered it after you registered to vote in CA ( which was only 9 months earlier ). What caused you to remember it? Wouldn’t looking at a voter registration form that EXPLICITLY asks you if you were ever registered before (it included out of state registrations) ring a bell in your head. If that didn’t, pray tell what caused the bell in your head to go off in order to remember it for the interview

this was sent to one of my children. It might **not** be from Damon Dunn himself, it could be someone masquerading as him. This is a total garbage and slander of me. My son now has a neurological problem, it is very bad. I can’t get any help from any law enforcementIn the links there is an article by a deranged Marxist reporter Spencer Kornhaber, who twists everything and anything.On my blog one of the readers has written that he believes judges are being threatened, even honorable ones, even conservative ones and even ex-Marines. What this man referred to is Judge Carter, who is an ex-Marine, who originally stated on the record that there is jurisdiction to hear my case *Barnett et al v Obama*, but who apparently was threatened, when Obama placed one of attorneys working for his defense firms, Perkins Coie, as a law clerk for the judge. This judge looked very scared, very intimidated by something at the last hearing we had, on October the 5th, later he decided that we no longer have jurisdiction.

Now judge Lamberth is supposed to provide an answer or hearing on my application for preliminary injunction against Obama, the decision or hearing was supposed to be by March 8, but there is no answer yet, and this reader was saying that he thinks that the judge could’ve been threatened, like former Marine Judge Carter.

This Marxist scum reporter Spencer Kornhaber twisted that post, has written an article, saying that Orly Taitz is threatening judges, some fellow Marxist scum have written in comments that **I will need to be arrested or put in a mental institution and this was sent to one of my children through Facebook**, supposedly by Damon Dunn, my opponent in the primary, though I doubt it came from him personally, I believe someone might be using his name.

**This is a new low, this scum is attacking my children**
