	Comment: opposition to motion for testimony via skype the Objectors motion is denied. The Court contacted the office where Objectors' counsel indicated their expert witness could use a videoconference unit; however, the unit only provides internal communication within that agency. Further "skyping" is not a practical alternative in the Courtroom. Objectors' expert witness may participate by telephone provided the Objectors' counsel provide the Court Crier with the phone number where the expert may be reached prior to the start of the 3/1/12 hearing at 10:00 a.m. The expert witness may not participate by cell phone.
