RE: Verification of Certificate of Live Birth

Dear Dr. Onaka:

Pursuant to K.S.A. § 25-308, an objection was filed with our office related to the eligibility of President Obama as a candidate for President of the United States. Pursuant to Kansas law, a meeting of the State Objection Board has been called and convened. The State Objection Board consists of the Lieutenant Governor, Attorney General, and Secretary of State of the State of Kansas. Once an objection is raised, the Objection Board has the authority to assess eligibility for office under K.S.A. § 25-1436(a) and (f). In this case, the objection specifically calls eligibility into question. Ultimately, this office has a statutory duty to certify the list of nominees of parties to county election officers under K.S.A. § 25-311. However, we are unable to certify this list without the State Objection Board resolving this objection. These activities are done in the ordinary course of the activities of the Secretary of State's office under our statutory obligations. President Obama is involved simply because an objection was filed as to his eligibility for the office sought. Accordingly, the State Objection Board has requested verification of the existence of the president's Hawaii birth certificate and data contained therein to assist in the disposition of the objection.

Given the information above, we qualify for a verification from the Department of Health under Hawaii Revised Statutes, Section 338-18(g). As you may be aware, federal and Kansas law require that voters falling under the Uniformed and Overseas Citizen Absentee Voting Act (UOCAVA) must have requested ballots mailed 45 days before an election under K.S.A. § 25-1120 and 42 U.S.C. § 1973ff-1(a)(8). The due date for UOCAVA ballot transmittal is September 22, 2012. Kansas county election officers need as much time as possible to prepare ballots and conduct other necessary tasks. As you can see that presents a very short timeline.

Based on the above information, can you provide verification of the following statements?

1. The original Certificate of Live Birth for Barack Hussein Obama, II, is on file with the State of Hawaii Department of Health.

2. The File Number for the Certificate of Live Birth for Barack Hussein Obama, II is 151 61 10641.

3. The information contained in the "Certificate of Live Birth" published at http://www.whitehouse.gov/sites/default/files/rss_viewer/birth-certificate-long-form.pdf and reviewed by you on the date of your verification, a copy of which is attached to this request, is identical to the information contained in the original Certificate of Live Birth for Barack Hussein Obama, II on file with the State of Hawaii Department of Health.

If the Hawaii Department of Health is able to verify these statements, please send a certified original of the verification to my attention at the address below. Please make out the verification to the Kansas State Objection Board. If it is possible to overnight the request, such action would be appreciated. We are happy to pay any of the necessary fees, including service fees and mail fees for expediting the request, if such fees exist. It would also be helpful if an email copy could be sent to ryan.kriegshauser@sos.ks.gov as well.

Please let me know if you need anything further from our office. Thank you again. We very much appreciate your help in regard to this matter.

Sincerely,

A handwritten signature in black ink, appearing to be 'Ryan Kriegshauser', written over a horizontal line.
